

## GENT-L-KLEEN PUMICIZED CITRUS GEL HAND CLEANER

### Section 1 – General Information

Gent-I-kleen Products, Inc.  
3445 Board Road  
York, PA 17402-9409

Emergency Phone Number: (717) 767-6881  
Other Calls: (717) 767-6881  
Date Prepared: March 1, 2002

### Section 2 – Hazardous Ingredients

<u>Hazardous Component</u>	<u>CAS Numbers</u>	<u>OSHA PEL</u>	<u>ACGHI TLV</u>
Neutralized Ethanolamine Soaps	mixture	n/e	n/e
Nonionic Surfactant	9016-45-9	n/e	n/e
Dimethyl Oxazoladine	51200-87-4	n/e	n/e
d-limonene	5989-27-5	n/e	n/e
Pumice	not available	15 mg/m <sup>3</sup>	10 mg/m <sup>3</sup>

HMIS RATINGS: Health - 1      Flammability - 2      Reactivity – 0

### Section 3 – Physical & Chemical Characteristics

Boiling Point: N/A                      Melting Point: N/A  
Specific Gravity: 1.00  
Vapor Pressure: N/T                      Vapor Density: N/T  
Solubility in Water: Soluble  
Reactivity in Water: Not Reactive  
Appearance and Odor: Translucent orange ringing gel with natural citrus fragrance and abrasive.

### Section 4 – Fire & Explosion Data

Flash Point: N/A                      Method Used: N/A  
Flammability Limits in Air by % Volume:      LEL: N/T                      UEL: N/T  
Auto-Ignition Temperature: N/T  
Extinguisher Media: Foam, carbon dioxide or dry chemical.  
Fire Fighting Procedures: Use standard procedures and practices.  
Unusual Fire and Explosion Hazards: None Known

### Section – 5 Reactivity Data, Physical Hazards

Stability: Stable  
Materials to Avoid: None Known  
Hazardous Decomposition Products: None Known  
Hazardous Polymerization: Will Not Occur  
Conditions to avoid: None Known

## **Section 6 – Health Hazards**

Acute Health Hazards: None expected with normal use.

Chronic Health Hazards: None known

Signs & Symptoms of Exposure: May be irritating to skin with excessive use.

Medical Conditions Aggravated by Exposure: None Known.

Chemical Listed as Carcinogen or Potential Carcinogen:

National Toxicology Program: No

I.A.R.C. Monographs: No

OSHA: No

**Emergency & First Aid Procedures:** Wash off skin with water. In case of eye contact, flush eyes with water for 15 minutes. Contact a physician if irritation persists. If ingested drink water to dilute. DO NOT INDUCE VOMITING. Call a physician or poison control center.

Routes of Entry:

Inhalation: Not a normal route of entry.

Eyes: Will cause stinging, burning, irritation and possibly damage.

Skin: Non-irritating under normal conditions.

Ingestion: Product aspirated into the respiratory system during ingestion or vomiting may cause mild to severe pulmonary injury. Minimal toxicity.

## **Section 7 – Special Precautions & Spill/Leak Procedures**

Precautions to be Taken in Handling and Storage: Store below 100°F (38°C).

Steps to be Taken in Case Material is Released or Spilled: Use non-flammable absorbent material for large spills. Flush area with water.

Waste Disposal: Dispose of in accordance with applicable local, state and federal regulations.

## **Section 8 – Special Protection Information/Control Measures**

Respiratory Protection: Not required.

Ventilation: Adequate for application.

Protective Gloves: Not required.

Eye Protection: Avoid contact with eyes.

Other Protective Clothing or Equipment: Not required.

Work/Hygienic Practices: Keep work area clean.

**THE INFORMATION HEREIN IS GIVEN IN GOOD FAITH.  
HOWEVER NO WARRANTY, EXPRESSED OR IMPLIED IS MADE.**
