

## 10-Gauge Double Wall Waste Oil Tank with Accessories

PAK250 240 gal., 37" x 54" x 43", 1 each

Store bulk waste oil in these durable steel tanks.

- Bulk capacity eliminates multiple small containers and centralizes waste oil storage
- Double-wall, 10-gauge steel construction helps tank withstand impact and provides leak-tested containment
- Generous 10"-diameter fill hole features a lockable hatch and debris screen
- Durable powder coating resists chipping, rust and corrosion
- Individual ports and tank exterior are fully labeled for easy identification
- 2" vent helps prevent pressure buildup
- Heavy-duty locking swivel casters for easy repositioning
- Not intended to be used as storage for new oil
