

3M 6000 Series Full-Face Respirator

RSP304 Full-Face Respirator, Adjustable/Elastic Strap(s), 1 each

Reusable respirators offer affordable protection from airborne contaminants.

- Full-Face design includes a large, hard-coated lens that shields eyes and face with wide, unobstructed view
- Lightweight, comfortable thermoplastic respirator accepts a variety of filters and cartridges (sold separately) to protect against specific airborne contaminants
- For reuse, simply replace used cartridges and filters after disassembling and cleaning respirator
- Swept-back cartridge design helps improve balance and field of vision
- Headstrap adjusts easily to maximize comfort and protection
