

## Accordion Snap-Over Drum Insert

GEN302 For 55 gal. Plastic or Steel Drums, 15 mil, 20 each

FDA Compliant resins and seamless design help you keep materials pure and extend drum life.

- Heavy-weight 15 mil LDPE liner reduces the costs associated with cleaning, reconditioning and disposing of used drums
- Made from FDA Compliant resins for containment of food and cosmetic products
- Liner's contoured design is easy to insert and won't leave folds or pockets that will trap liquid
- Lip snaps into place on drum bead for easy pouring and handling without risk of liner pulling off
- Low-density polyethylene construction with accordion design; seamless construction reduces the chance of leaks
- Saves time cleaning and eliminates residue that could be a source of liability
