

Valley Craft® EZY-Rol™ Aluminum Drum Truck with Brake

DRM348 For 30 to 55 gal. Steel Tight-Head Drums, 1000 lb. Load Capacity

Corrosion-resistant, lightweight design is extra-stable to help prevent tipovers.

- Stable, 4-wheel design helps you move drums on and off pallets without strains or tipovers
- All-aluminum construction is corrosion-resistant, safe for use with flammable liquids and lightweight but holds up to 1,000 lbs.
- Spring-loaded chime hook automatically engages to prevent sliding or falling drums
- For tight-head 30- or 55-gallon steel drums only
- Handle-controlled brakes provide extra stopping power when moving heavy loads
