

Cable Protection System

PLS201 Hinged Lid, (5) 1.33" W x 1.32" H
Channel(s), 17.5" x 36" x 2"

Cable cover helps prevent tripping and withstands heavy forklift loads.

- Heavy-duty, interconnecting polyurethane protectors help extend useful life of power cords and hoses
- Helps keep cords and hoses from being tripping hazards
- Made of high-density, UV-stabilized cast polyurethane for use indoors or out
- Beveled edges allow easy transition to decrease trip hazard
- High-visibility design features diamond plate surface to increase traction for foot and wheel traffic
- Non-conductive material insulates electrical cables to help ensure safety and regulatory compliance
- Flip-up cover makes it easy to access and place cords or hoses
- Withstands up to 21,000 lb.
