

Cushion Station Anti-Fatigue Mat

FLM588 Not for Chemical Contact, For Heavy Oil/Grease Contact, 3' x 5' x .437"

Grease- and oil-resistant, this closed-cell nitrile rubber foam mat is great for use in wet-spray areas such as machine shops.

- Mat surpasses the protection offered by oil-resistant mats by also resisting grease
- Closed-cell nitrile rubber foam provides basic comfort during long work hours
- Treated with an anti-microbial agent for lifetime protection against odors and degradation
- Easy to clean and can even be sterilized
- Resists sparks and hot metal shards from welding
- Anti-static properties reduce the risk of electrostatic sparking
- NSF Certified design is ideal for helping to reduce slips and falls in slippery conditions
- Choose mat with drainage holes to channel liquids away from workers' feet
- Choose mat without drainage holes to keep moisture, particles and small parts from reaching the floor
- Mat dimensions are approximate

Specifications

Static-Dissipative	Yes
Drainage Holes	With Holes
Color	Black
Dimensions	3' W x 5' L x .437" H
Chemical Contact	Not for Chemical Contact
Oil/Grease Contact	For Heavy Oil/Grease Contact
Beveled Edge	Yes
Brand	M&A Matting
Grit Surface	No
Safe for Welding Areas	Yes
Sold as	1 each
Weight	22 lbs.
Composition	Closed-Cell Nitrile Rubber Foam

Application

Wet Applications
