

Economy Hydraulic Drum Truck

DRM259 For 30 to 55 gal. Steel Tight-Head Drums, 550 lb. Load Capacity

Economical pump-handle, wide-stance, locking-caster design helps ensure safe drum moves.

- Easy to use - simply pull top lever to secure drum, then pump handle to lift drum without tilting it
- Maneuvering is easy with one swivel and two rigid casters that lock to prevent accidental rolling
- Hydraulic vertical lift increases safety by removing need to tilt drum truck
- Straddles pallets up to 33" wide and lifts them a maximum of 13.5" high for easy loading and unloading of drums up to 22.5" in diameter
- Wide stance for stability while moving across facility

Specifications

Wheels Included	Yes
