

ErgoMates™ Anti-Fatigue Shoe Covers

WPL880 Overshoe, Reusable, 1 each

Exterior padding outdoes cushioning insoles and gives the feel of walking on an anti-fatigue mat.

- Two-ply cushioned sole dramatically reduces fatigue from extended standing or walking on hard surfaces
- Covers strap on without binding and adjust to most footwear
- Chemical- and oil-resistant sole adds traction to help reduce slips and falls
- Outdoes any insole for cushioning
- Also insulates feet from cold cement floors to increase worker comfort
- Sizing corresponds to standard men's shoe sizes to eliminate ordering guesswork
