

GHS Labels

SGN1053 GHS, 500 each

Identify the specific hazards of your chemicals with these GHS pictogram labels. Choose from two sizes.

- Helps you comply with Globally Harmonized System principles adopted as part of OSHA's HazCom regulations
- GHS pictogram identifies hazardous chemicals and warns workers of their potential dangers
- Adhesive-coated paper can be affixed to any clean, dry surface
- Skull and crossbones pictogram is ideal for use with acute toxicity chemicals
