

Installation Board

GRP001 For Grippy Mat

Use the same cutting guide that we use to install Grippy Mat in retail, grocery and commercial environments - it's fast, easy and professional.

- Convenient, pre-scored "template" guides your blade, producing clean, accurate cuts
- Create perfect corners or 45° angles for working around obstacles or making specific shapes
- Serves as a cutting board to prevent damage to floors during cutting
- Can also be used as a float to quickly smooth out Grippy Mat in one pass
- Predrilled holes help you align tool and mat with tile and grout lines
- Designed for use with our Safety Knife (sold separately)
