

Law™ Safety Glasses

GLS482 Indoor/Outdoor Lens Color, Clear Frame Color

Featherweight design is heavy on protection, style and value.

- Strong polycarbonate design weighs less than four quarters yet meets ANSI Z87.1 standard for protection from side and front impact
- Wraparound lenses sit close to face to maximize coverage area and protect against front and side impact
- Features soft, flexible rubber nose bridge to fit a range of faces and no-slip, low-pressure thermal plastic rubber (TPR) temple inserts
- Lenses block 99.9% of harmful UV rays while offering superior scratch resistance
- Metal-free, dielectric design is safe for utility and electrical work
- Mirrored indoor/outdoor lens is ideal for forklift driving or other work that moves between brightness and darkness
- Have a question about safety glasses, goggles or eyewear? Give us a call at 1-800-HOT-HOGS (468-4647)

Specifications
