

# Meteors® Disposable Ear Plugs

HNG220 Uncorded Ear Plugs, NRR 33, 200 pair

Disposable ear plugs provide hearing protection and feature a contoured shape for a better fit, more comfort and greater noise reduction.

- Available with NRR 33, the highest noise reduction rating currently available in an ear plug
- Contoured shape follows the curve of the ear canal, even at its narrowest point; creates less pressure for superior fit
- Soft, light-weight ear plugs feature a wide base for easy insertion and removal
- Bright-green color is highly visible for compliance checks
- Each pair is individually bagged to keep plugs clean, dry and together until you need them
- Environmentally friendly construction is PVC free to prevent the release of toxins in landfills
- Latex-free foam is safe for workers with latex allergies
- Noise reduction rating (NRR) of 33 helps you comply with regulations while safeguarding workers
- NRR is achieved using ANSI S3.19 1974 testing standards

MOLDDEX

## Specifications

Style	Uncorded Ear Plugs
Color	Green
Brand	Moldex
Sold as	200 pair per box
Weight	1 lb.
Composition	Foam
