

Motion Activated Headlight

ELS221 LED, 80 Lumens

A simple wave of the hand can turn this headlight on or off. No need to remove your work gloves to flip a tiny switch.

- Lets you keep working without having to remove gloves to activate a light switch
- Gesture Activation Control technology lets you turn the headlight on or off without touching the unit
- Three LED light options: white flood or spot light, low-level red for "night vision," and signaling red emergency beacon (SOS)
- Maximum brightness of 80 lumens; variable light output preserves battery life when max lumens are not necessary
- 4X optical magnification allows for wide or focused beam; head pivots for beam direction
- Headlight is ABS polycarbonate; includes cloth and rubber head straps
- 8-hour run time on high with beam distance of 61 yards; 175-hour run time on low with beam distance of 16 yards
- Operates on three AAA batteries (included)
- Ideal for use in dirty, dark environments where gloved, wet or oily hands are the norm

Specifications

Special Feature	Hands-Free; Motion Activated
Color	Black
Dimensions	2.5" W x 1.5" L x 2" H
Battery Requirements	3 AAA Alkaline Batteries (Included)
Brand	Pelican
Brightness	80 Lumens
Bulb Type	LED
Sold as	1 each
Weight	0.4 lbs.
# per Pallet	500
Composition	Body - Polycarbonate Light - LED

Metric Equivalent

Dimensions

6.4cm W x 3.8cm L x 5.1cm H

Weight

181 g
