

Non-Sparking Drum Plug Wrench

DRM1058 For Most Round- & Hex-Style Drum Plugs (Not Compatible w/ .75" Rieke Plugs), Aluminum

Wrench protects your knuckles during safe opening of flammables drums.

- Durable, non-sparking aluminum is safe around flammables
- Fits most round- and hex-style drum plugs (not compatible with 3/4" Rieke® plugs)
- Offset design reduces user stress and prevents knuckle scraping
