

North Silver Shield®/4H® Gloves

WPL262 2.7 mil, 16", 1 pair

Lightweight protection from corrosive chemicals.

- Silver Shield gloves resist permeation and breakthrough of even the most dangerous liquids like aromatics, ketones, alcohols, esters and chlorinated and aliphatic solvents
- Also resists water-based solutions of most acids and bases
- Extra-long cuff extends protection past wrist onto forearm
- Ambidextrous and light-weight design is also ideal for underlining other gloves
