

PIG® 4 in 1® Absorbent Mat Roll in Dispenser Box

MAT289 Mediumweight, 16" x 50', 3 rolls

1 absorbent mat - 4 ways to use it. Stock just one absorbent and handle a variety of leaks, drips and spills.

- Exclusive 4 in 1 Mat is a pad, roll, sock and wiper all in one!
- Use as a pad to catch drips and soak up spills; roll out to cover large areas; fold along score lines to make a thick, absorbent "sock"; tear off a piece to use as a low-lint wiper
- No matter how you use it, this mat builds on the proven eight-layer, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Scuff-resistant, spunbond outer layer resists wear and tear, even under heavy foot traffic or abrasive conditions
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more; absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Absorbed leaks and drips blend right in; gray color hides grime so mat stays on the job longer
- Dispenser box makes mat easy to access, carry and store while protecting contents from dirt and moisture
- Rolls are perforated every 10"; easy to tear to size, use only what you need
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
