- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more

- Pop-up tabs and cardboard back let you hang pack anywhere in your plant - on a pegboard by your workbench, on your tool cart, even on your forklift
- Fixed number of pads makes it easy to monitor inventory and usage
- Perforated at the bound edge and center - one quick tear is all it takes and you're ready to work
