

PIG® Drum Ring Spider

DRM1044 For 55 gal. Drums

Spider grabs and squeezes lid rings to make installation quick and easy.

- To use, just drop adjustable four-legged "spider" over lid and ring, then crank legs tight to hold lid closed for nut-and-bolt securing
- Coarse thread on closure mechanism tightens quickly to apply adequate pressure with limited cranking
- Ideal for use on a 55-gallon open-head drum, especially if reconditioning has made lid rings hard to install
- Powder-coated steel resists chipping, rust and corrosion

Specifications

Use With	55 gal. Drums
Color	Black/Yellow
Use With Flammables	No
Sold as	1 each
Weight	8.422 lbs.
# per Pallet	50
Composition	Steel
UNSPSC	24101901

Metric Equivalent

Weight	3.8 kg
