PIG® Fall Prevention and Protection Training

TRN111 For Beginner; Intermediate, 53 Minutes, Online (Login details emailed to you within 24 hours)

Educate your workforce on the causes of falls, how to prevent them, and best practices for selecting and using fall prevention and protection systems.

- New Pig knows safe, compliant workplaces like nobody's business! Learn from the leader to help protect your workers, your facility and the environment
- Original content presented in easy-to-understand ways — no regulation-ese!
- Written and designed to keep workers awake and engaged for high retention and on-the-job action
- Topics covered include fall prevention and protection, difference between fall protection and fall prevention, how to wear a body harness, anchorage points, lanyards, vertical and horizontal lifelines, fall space clearance, and inspection and maintenance guidelines for fall protection systems
- Runtime is broken into short modules lasting 1 to 3 minutes each; fast-paced training that's informative, educational and entertaining
- State-of-the-art 3D animation shows real-world tactics that apply to everyday workplace applications
- Automatically adapts to play on any computer, projector, tablet or smartphone regardless of your connection speed
- Quizzes keep end users engaged as they work toward their certificate of completion (one certificate per user license)
- Online training is offered with structured pricing for organizations of all sizes
- Login details will be emailed to you within 24 hours of ordering
- Also available in Spanish (select a language above when adding to your cart)
- Our No Guff Guarantee™ will refund every single penny if you're not completely satisfied with any PIG Training course
