

Training

PIG® Hexavalent Chromium Training

TRN120 For Beginner; Intermediate, 34 Minutes, Online (Login details emailed to you within 24 hours)

Provide your workers with critical training on the specific carcinogenic hazards represented by hexavalent chromium and how to work safely around them.

- New Pig knows safe, compliant workplaces like nobody's business! Learn from the leader to help protect your workers, your facility and the environment
- Original content presented in easy-to-understand ways — no regulation-ese!
- Written and designed to keep workers awake and engaged for high retention and on-the-job action
- Topics covered include hexavalent chromium in industry, methods of exposure, health effects of exposure, OSHA regulations, appropriate PPE selection, best practices for a safe work environment, welding considerations and employee notification of exposure by employer
- Runtime is broken into short modules lasting 1 to 3 minutes each; fast-paced training that's informative, educational and entertaining
- State-of-the-art 3D animation shows real-world tactics that apply to everyday workplace applications
- Automatically adapts to play on any computer, projector, tablet or smartphone regardless of your connection speed
- Quizzes keep end users engaged as they work toward their certificate of completion (one certificate per user license)
- Online training is offered with structured pricing for organizations of all sizes
- Login details will be emailed to you within 24 hours of ordering
- Our No Guff Guarantee™ will refund every single penny if you're not completely satisfied with any PIG Training course
