

PIG LED Lantern by Streamlight

ELS274 LED, 340 Lumens

Small but mighty, this lightweight lantern offers many settings for different situations.

- Four C4 white LEDs provide three brightness levels: High, with 340 lumens for 30 hours; Medium, with 175 lumens for 70 hours; Low, with 33 lumens for 295 hours
- One red LED provides 10 lumens for 235 hours, and long-lasting night vision mode extends run time for emergencies; flashing red SOS mode provides emergency signaling at 10 lumens for 430 hours
- Tough polycarbonate, thermoplastic construction with elastomer coating; wide base provides stability on slippery or uneven surfaces
- Glare-reducing cover provides soft, even 360° light distribution in close quarters; remove to illuminate large areas
- Ergonomic handle locks in the upright or stowed position; has a hanging hook
- Cordless lantern, 3.8"W x 7.25"H, is powered by three D alkaline-batteries (not included)
- Lantern can stand alone or hang in the upright or inverted positions using D-rings on the top and bottom
- Lantern will float when the globe cover is in place
