

PIG® Low-Profile Pipe Leak Diverter

TLS190 Pipes, Diverter Only, 11.5" x 9"

Leaky pipe in a tight spot? Low-profile design is great for capturing leaks where full-size designs can't fit.

- Low-profile design and compact size let you target a specific leak in tight spaces
- Nonpermeable material is vinyl-coated for strength and durability; resists punctures and mildew for long life
- UV resistant up to 12 months for long-term outdoor use without degradation
- Built-in grommets and rubber straps (sold separately) make it easy to hang from an overhead pipe
- Accepts a standard 3/4" hose connection to safely channel liquid to floor drain or collection container (hose sold separately)
- Flow rate of 3.33 gallons per minute when used with a 1/2" ID hose
- Need a custom size or solution? Just call 1-800-HOT-HOGS (468-4647)

Specifications

Style	Diverter Only
Color	Yellow
Dimensions	ext. dia. 11.5" x 9" H
