

PIG® Sheen Clean® Oil-Only Absorbent Pillow

SKM602 Absorbs Oils, Fuels, Other Oil-Based Liquids Only, Absorbs up to 1 gal. per pillow, 10 pillows

This pillow's extra-large surface area cleans up the thin, oily residue floating on water that other absorbents may leave behind.

- Proprietary filler blends high-capacity recycled cellulose with a copolymer that pulls in thin, filmy sheens of oil
- Ideal for long-term deployment to remove sheen after oil-based spills or absorb oil residue in retention ponds, catch basins, tanks and more
- Tear-resistant skin is UV resistant up to 12 months; provides long-term outdoor use without degradation
- Floats to clean up spills on water confined by booms or socks
- Absorbs and retains oils and oil-based liquids - including lubricants and fuels - without taking in a drop of water
- Bright white color makes pillows easier to see in outdoor environments and clearly shows saturation level
- Can be incinerated after use to reduce waste or for fuels blending
- Not recommended for use with acids, bases or other corrosive liquids

Specifications

Fluid Absorbed	Oils, Fuels, Other Oil-Based Liquids Only
Color	White
Dimensions	16" W x 17" L x 1.75" H
Recycled Content	90% Post-Consumer Recycled Cellulose Waste
Absorbency	Up to 10 gal. per box
Absorbency per	Up to 1 gal. per pillow
Sold as	10 pillows per box
Weight	20.5 lbs.
# per Pallet	24

Composition

Skin - Polypropylene

Filler - Hydrophobic Cellulose, Co-Polymer Proprietary Blend

UNSPSC

47131908

UV Resistant

Yes

Pigalog® Page Number

Page 67

Metric Equivalent

Absorbency per

Up to 3.8 L per pillow

Absorbency

Up to 37.9 L per box

Dimensions

40.6cm W x 43.2cm L x 4.4cm H

Weight

9.3 kg
