

PIG® Utility Spill Basin with Grate

PAK472 Plastic, 35" x 58" x 12", 14 gal. Sump Capacity

High sidewalls and heavy-duty grate make our spill basin a great choice for cleaning and degreasing applications.

- 12"-high sidewall creates 75-gallon total capacity (14-gallon sump capacity below grate)
- Open sump and removable grate keep parts above the grime
- Grate and basin are made of 100% polypropylene for superior chemical resistance
- Ideal for temporary containment of leaking containers, batteries, transformers or parts
- Use basin by itself for parts cleaning or temporary storage of liquids
