

Training

PIG® Warehouse and Loading Dock Safety Training

TRN147 For Beginner; Intermediate, 31 Minutes, Online (Login details emailed to you within 24 hours)

Provide an overview of common warehouse and loading dock environments and how to safely move and work in those areas to avoid hazards.

- New Pig knows safe, compliant workplaces like nobody's business! Learn from the leader to help protect your workers, your facility and the environment
- Original content presented in easy-to-understand ways — no regulation-ese!
- Written and designed to keep workers awake and engaged for high retention and on-the-job action
- Topics covered include the purpose of warehouses, typical equipment found in a warehouse, common hazard-causing behaviors in a warehouse, appropriate PPE selection, lockout/tagout steps, pedestrian safety, best practices to help you stay prepared in case of an emergency and best practices for housekeeping
- Runtime is broken into short modules lasting 1 to 3 minutes each; fast-paced training that's informative, educational and entertaining
- State-of-the-art 3D animation shows real-world tactics that apply to everyday workplace applications
- Automatically adapts to play on any computer, projector, tablet or smartphone regardless of your connection speed
- Quizzes keep end users engaged as they work toward their certificate of completion (one certificate per user license)
- Online training is offered with structured pricing for organizations of all sizes
- Login details will be emailed to you within 24 hours of ordering
- Our No Guff Guarantee™ will refund every single penny if you're not completely satisfied with any PIG Training course
