

Training

PIG® Welding Safety Training

TRN148 For Beginner; Intermediate, 26 Minutes, Online (Login details emailed to you within 24 hours)

Familiarize your workers with the tools, equipment and techniques necessary for safe and effective welding.

- New Pig knows safe, compliant workplaces like nobody's business! Learn from the leader to help protect your workers, your facility and the environment
- Original content presented in easy-to-understand ways — no regulation-ese!
- Written and designed to keep workers awake and engaged for high retention and on-the-job action
- Topics covered include best practices for welding safely, selecting appropriate PPE, filter plates, hazards associated with welding, arc welding, gas welding, brazing and soldering, and metal cutting
- Runtime is broken into short modules lasting 1 to 3 minutes each; fast-paced training that's informative, educational and entertaining
- State-of-the-art 3D animation shows real-world tactics that apply to everyday workplace applications
- Automatically adapts to play on any computer, projector, tablet or smartphone regardless of your connection speed
- Quizzes keep end users engaged as they work toward their certificate of completion (one certificate per user license)
- Online training is offered with structured pricing for organizations of all sizes
- Login details will be emailed to you within 24 hours of ordering
- Our No Guff Guarantee™ will refund every single penny if you're not completely satisfied with any PIG Training course
