

Poly Liquid Disposal Can

CAN119 5 gal., Red, Flame Arrestor

Wide-mouth Justrite® disposal cans let you easily collect flammable liquids without the hassle of pouring into small openings.

- Wide-mouth design is ideal for collecting flammable liquids
- 100% leak-tested and fully FM compliant construction
- Built-in stainless steel flame arrestor guards against outside ignition
- High-density poly resists dents, punctures and chemicals
- Stainless steel fittings are ideal for corrosive chemicals
- Current-carrying carbon insert prevents arc and provides proper bonding
- Rounded handle swings while you carry heavy loads; "Bond Here" sticker directs user to proper bonding point
- Spring-loaded, self-closing lid is airtight to help control vapors and prevent spills
- Positive pressure relief cap automatically vents to guard against rupture and explosion
