

Replacement Dome Plate Kit for PIG® Waste Compactor

DRM5001 For Waste Compactor, 1 each

Keep your PIG Waste Compactor running at peak performance by replacing worn or damaged parts.

- Works with all PIG Waste Compactor models to help crush 6 drums of waste into one
- Dome plate compresses mats, rags and other absorbent products to remove liquids
- Excess liquids collect on top of dome, then drain into drum when the plate is raised
- Aluminum construction won't rust or corrode
