

# S-200 OilGone Remediation Liquid

CLN431 Remediator, 1 - 55 gal. Drum, 1 each

Spray your spills with these enzymes to remediate hydrocarbons by enhancing naturally occurring microbes.

- Easy-to-use formula produces reliable results for cost-effective cleanup of fuel and oil on land or water
- Leaves only carbon dioxide and water behind, so there are no harmful by-products left in the environment
- Adheres to the hydrocarbon contaminant and does not wash away
