

Snap-Over LDPE Drum Insert - Anti-Static

DRM956 For 55 gal. Plastic or Steel Drums, 15 mil, 20 each

Heavy-weight FDA Compliant insert snaps over drum bead and is ideal for mixing or pumping.

- Heavy-weight 15 mil LDPE liner reduces the costs associated with cleaning, reconditioning and disposing of used drums
- Made of FDA Compliant polyethylene, safe for use with food and cosmetic products
- Liner's contoured design is easy to insert and won't leave folds or pockets that will trap liquid
- Lip snaps into place on drum bead for easy pouring and handling without risk of liner pulling off
- Straight-sided design is ideal for mixing and pumping
- Easily accommodates follower plate
- Saves time cleaning and eliminates residue that could be a source of liability
- Anti-static liners are color-coded pink to distinguish them from standard liners
