

Spill Station 90° Projection Sign

SGN1034 Two-Sided Spill Station Signs; Spill Response & Spill Kit, 12" x 1.5" x 8", 1 each

3D wall signs make emergency spill kits easy to find from any angle. Faster to find means faster to respond.

- Protrudes from wall for higher visibility; helps workers find supplies quickly and respond to spills effectively
- Even from a distance, helps indicate the location of spill kits and supplies that may be obscured in their immediate area
- Highly-visible with high-contrast message on both sides
- Molded plexiglass construction has prepunched holes and self-sticking tape for mounting
- Keep your facility looking professional while providing clear safety information
- Protrudes from wall at 90-degree angle for higher visibility
