

Tychem® BR Level B Fully Encapsulating Suit

WPL860 Hood w/ Faceshield, Sock Boots w/ Flaps Attached, Zipper Back, 1 each

Field-proven, high level chemical protection for hazmat first responders.

- Designed to protect wearers from a broad range of chemicals and hazardous materials common in industry
- Also tested against chemical warfare agents and suitable for response to weapons of mass destruction
- Fully-encapsulating Level B Suit maximizes chemical protection with 48" zippered rear entry port with double storm flap and hook-and-loop closure
- Outside, sewn, heat-sealed seams are liquid-proof to maximize protection
- Suit features an expanded back for added comfort, elasticized wrists, 2 exhaust ports with shrouds and attached sock boots with boot flaps
- 20 mil PVC faceshield permits a broad range of vision
- Soft, lightweight design for comfortable long-term wearing
- Superior tear, puncture and abrasion resistance help prevent chemical exposure
- Bright yellow suit is highly visible in bright or dim light, offering greater protection for haz-mat and emergency response teams
