

Tychem® TK Level A Suit

WPL854 Hood w/ Faceshield, Gloves, Sock Boots w/ Flaps Attached, Zipper Front or Back, 1 each

Field-proven, high level chemical protection for hazmat first responders.

- Provides chemical barrier for 8 hours against any ASTM F1001 chemical and proven against 260 challenge chemicals
- 48" zipper and double-overlapping storm flap with hook-and-loop closure help block out dangerous vapors and chemicals
- Outside, sewn, heat-sealed seams are liquid-proof to maximize protection
- Deluxe Suit features large 40 mil PVC/10 mil Teflon® faceshield and heavy-duty double-layer gloves
- Attached sock boots with flaps provide leakproof barriers inside outer boots
- Bright lime green color is highly visible in emergency and low-light conditions
- Includes handy canvas carrying bag to keep suit clean and dry before use
- Choose front or rear entry
