

## Wesco® Steel Draining Drum Truck

DRM250 For 30, 55, or 85 gal. Steel, Fiber, or Plastic Open- or Tight-Head Drums, 1000 lb. Load Capacity

With the right spigot and this combination drum dolly/cradle, you've got a full mobile dispensing rig.

- Truck's wide feet and nylon security belt keep drums from being punctured by nose prongs and chime hooks
- Heavy-duty, welded, 1" structural tube steel construction holds up to 1,000 lbs.
- For use with steel, fiber or poly drums in 30-, 55- or 85-gallon sizes
- Can be used as a drum truck or as a drain stand
- 6" x 1.5" rear wheels help you maneuver stand when it's in draining position
- Choose aluminum-center Moldon rubber wheels (rough or outdoor surfaces) or polyolefin wheels (smooth or indoor surfaces)
