

X-TREME TAPE™

TLS527 1" x 36'

Military-grade, self-fusing tape permanently seals out air or water, even up to 400 degrees F.

- Originally developed for military use, this tough 700 PSI tensile strength tape is a great addition to any toolbox
- Contains no adhesive but bonds to itself when wrapped under tension
- Thermally resistant tape remains flexible at - 50°F to 400°F continuous and -80°F to 500°F intermittent temperatures
- Silicone construction permanently seals out air or water
- Dielectric strength for insulating up to 8,000 volts during electrical repair
- Stretches up to 300% and conforms to nearly any shape
- UL Listed and made in the USA
